Lydia E. Pinkham's Vegetable Compound a Marvelous Help

West Orange, N. J.—"I was very nervous and upset for six months before my baby was born. One of my friends told me to take Lydia E. Pinkham's Vegetable Compound and I have taken it for five months. now. I have a big boy who weighed almost nine pounds at birth and I do all my housework and don't feel a bit nervous or upset any more. I still take your medicine and have told all my friends what good it has done me."—Mrs. MARGARET GREGORY, 449 Valley Road, West Orange, N. J.

West NewYork, N. J.—"The first two months I carried my baby I was in bed almost every day with sick headaches. I tried Lydia E. Pinkham's Vegetable Compound and the first bottle helped me. I took seven more and I know I couldn't feel bet-ter than I did. The headaches stopped and I was able to do my own work. I have a baby girl six months old who weighs twenty pounds and is the picture of health."—Mrs. J. McCov. 207 20th St., West New York, N. J.

Nervous and Run-Down

Biloxi. Miss. — "Just a word of praise of Lydia E. Pinkham's Vegetable Compound. I took it with won-derful results before my baby was born. I was so nervous and run-down that I was a wreck of misery. I had pains in my sides and back so bad that I could not stay still or sleep nights. My husband was reading

your 'ad.' in the paper and I decided to try your Vegetable Compound. After I had taken half a bottle I felt a change and was soon as well as ever. I took it the whole time and ever. I took it the whole time and recommend it to every woman who is suffering as I was. People said that because I was so young I would never pull through and I praise your Vegetable Compound for my good health." — Mrs. ENOCH J. STEVENS, 889 Fayard St., Biloxi, Miss.

Chicago, Ill. — "I recommend Lydia E. Pinkham's Vegetable Com-pound for all prospective mothers. I suffered from weakness and faint spells and had to lie down wice a day for an hour or so before I could go on with my work. My cousin, who lives in Wisconsin, has used your Vegetable Compound for over five years and she came to us for a visit and she recommended it tome, visit and she recommended it to me, saying she would pay for the bottle if it did not help me. I took that bottle and got more, as I found it gave me great relief. I recommend it to my friends and sisters and am willing for you to use these facts to help others."—Mrs. I. J. Kubinski, 1813 W. 17th St., Chicago, Illinois. Lydia E. Pinkham's Vegetable Compound should be taken by expectant mothers. It will assist them in keeping well and strong. This is in keeping well and strong. This is necessary not only for their own
